July Happenings!

There are more special events for our members to participate in this month so let's support the hard work that goes into all of these events. This is a great way to join other A.A. members at the picnics, meetings and camping events coming up this month and throughout the summer. More info on most of them can also be found on the Intergroup web site. It's a great way to get together with old friends, make new ones and enjoy fun and fellowship with other group members.

Birthday Announcements

Please submit birthday announcements to be included in the newsletter by the 15th of the month before. This will allow time to get all of them into the current issue. We usually will not be able to get the current months birthdays in but can post the prior months if they are submitted. Let's give a well deserved shout out to those who have earned it!

Please state how you wish the name to appear in the newsletter keeping in mind that anonymity is only maintained by this. The newsletter will be available for viewing to everyone visiting the District 22 web site. If you like you can also list the group submitting the birthday announcement.

About Intergroup...

Any group within our service area wishing to affiliate with Intergroup may do so simply by observing the 12 Traditions and designating one of their group members as their Intergroup Representative. It's good practice to also name a second person as alternate. It's suggested that AA members be elected who show a desire to be of service and are willing to carry out their obligation to the best of their ability in the spirit of unity and cooperation.

What is the deadline for newsletter submissions?

The deadline will vary from month to month depending on holidays and other factors. If you email your story to d22news@gmail.com by the 15th of the month, it will usually be in time for the next month's issue. We will make every effort to include all submissions no matter when submitted.
